We

Look To The Future

DEDICATION + FOREWORD =

DEDWORD

As the veil of time encloses us, we pause to gaze back in remembrance of those devoted years; forever to be held in the heart of each departing student. Each room, each hall, each teacher calls to mind half-forgotten memories. Never will we forget the joys and heartaches of our years within these hallowed walls.

And so, as we, the seniors, graduate and look to the future, we have this, our Bison, to symbolize a small bit of C. H. S.

The CLASSES

The top nineteen of the senior class discuss with Mrs. May how they are going to prepare their commencement activities

Everyone in Room 28 is fascinated by the Triangle except Jess Sweesley. Maybe he only reads the BISON?????

What, does Miss Bowman know someone there, too?

Senior Class History

"You're pretty good characters, but, "Bye"

Left to Right, standing Vice President, Ellis Harley Secretary, Mary Jo Bigley, Treasurer, Jack McGarvey. Sitting President, Leonard Moore

Alas, O seniors, the time has come. We perhaps have waited many years for the fatal day, but now that it is here, we begin to realize that all of our classmates, friends, yes, and even teachers, will never be together in one group again. But sob not, ye weary travelers, we have a long and happy life before us.

On leaving our glorious Alma Mater, we, the class of '55, have left a record that will be upheld long after our vacant chairs are filled with new students. Our athletic year at C. H. S. was one of the best, compiling a total of thirty wins as against only eleven losses in the three major sports, basketball, football, and wrestling.

In basketball, we had quite a few stars from the senior class with Ellis Harley, Burt Wilson and Lenny Moore leading the parade, along with Bill Chase and many others.

Duane Peters, Llewellyn Smith and Tom Krolick represented the seniors in wrestling with all of them coming out as district champs.

Experiencing a fairly successful year in football, we were represented by Tom Krolick, Eugene Duck, Glenn Rees, Rodney Lewis, Duane Tobias, John Walker, and lots of other great fellows from the senior class.

Winning nine games out of fourteen, our baseball team was heavily dotted with seniors. Slick fielding shortstop, Ellis Harley led the team with a colossal .435 batting average. Other future "major leaguers" are Tom Krolick, Duane Tobias, John Sturniolo, Bob Fiscus, Bill Chase, and Bob Lonjin.

Seniors, Charles Leggs, Llewellyn Smith and Rodney Lewis, led the track team on to one of the most successful years, with a six win-one loss record.

Our music year was also one of the finest.

Our band took top honors strutting with pride in our new uniforms. Choral, orchestra, and band concerts were presented in fine style by our talented musicians. Jack McGarvey represented Clearfield at the All-State Chorus Festival, while Dave Yocum went to both the All-State Band and All-State Orchestra Concerts. The 1955 Showboat, consisting of classical, semi-classical, and popular music, was tops in variety and performance, with scores of seniors taking a part in the production.

May 6th was an unforgettable day . . . the day of the Prom. Decked out in our best duds we had a wonderful time, with a pat on the back going to the juniors for a job well done.

Thus ended another page of history. We see our underclassmen, the juniors, anxiously waiting for us to leave, so they too, can be called seniors. However, the day of awakening will come to them . . . just as it did to us.

But, senior class officers: President, Leonard Moore; Vice-President, Ellis Harley; Secretary, Barbara Miller; Treasurer, Mary Jo Bigley; and Historian, Jack McGarvey are already working on a class reunion soon in the future.

"Here's to the praise of Clearfield High
Here's to its girls and boys . . ."

Junior Class History

Shall I get my class ring her size or mine," says Vince Marino

Left to Right: Vice President Vincent Marino, Treasure Tom Jay, Historian, Larry Winslow, President, Ralph Clark

As we, the Junior Class of 1955, move on to become seniors, we leave behind us a commendable record. Not only in the scholastic and athletic field, but in the dramatic and musical lines also. The enthusiasm of our class was displayed early in the school year as many junior aspirants turned out to support the successful football team of 1954. Among the junior wearers of the "C" are Fred Plummer, Dick Mitchell, Vic Jones, John Gill, Neil Turner, John Hoover, John Marino, Howard Turner, Dick Miller, Al Barone, Chuck Lewis, and Russ Triponey. Plummer and Jones were named to the All-District First Team as reward for their fine play.

No sooner had the football togs been stored away than the basketball and wrestling teams started their practice sessions. Juniors making this year's fine basketball squad were Tom Jay, Vic Jones and Larry Winslow. Jones received honorable mention All-State along with his All-District honors. The wrestling team was bolstered with the strength of such junior mainstays as Ralph Clark, Russ Triponey, Dick Mitchell, Neil Turner, Hal Parks, Andy Shugarts, Dan Johnston. Clark, Triponey, Turner, Johnston, and Parks were district champions, while Clark continued on to become state champion in his weight.

Now that spring is here the track and baseball squads have swuna into action. Both groups are made up of many juniors. Assisting the baseball team are Tom Jay, Bill Amon, Bob Michaels, Al Johnson, and Gib Richards, while Dick Mitchell, Dick Miller, Hal Parks, Al Barone, Chuck Lewis, Jim Barton, Vic Jones, and John Gill helped Clearfield win the coveted Big 3 Trophy.

The annual "Showboat" was a huge success this year as the junior music personalities gave out their talents. The evening of Drama was successful also, as Linda Goosman, Victor Gano, Carroll Ogden, Chike Wisor, and Bill May gave excellent performances.

The next gala event was the "Evening in Paris" prom, which was enjoyed by all. We did our best in preparing and planning the event, which was enjoyed by all.

We were bursting at the seams with musical talent as Jacque Croyle, Carroll Ogden, Linda Goosman, Carol Kifer, Asbury Lee, Pat Crowe, Chike Wisor, Frank Sturniola, and Gordon Mitchell attended either the district chorus, orchestra, or band.

As we now leave our junior year behind, we only hope that all that we have accomplished will add to the illustrious reputation of C. H. S. and that we may have an eventful and successful year in 1956.

P. S. Our class was very ably led this year by: President, Ralph Clark; Vice-President, Tom Jay; Treasurer, Vince Marino; and Historian, Larry Winslow.

Sophomore Class History

We may not be bright,
but we are well liked

President, Joe Evanko; Historian,
Barbara Holes; Secretary, Valerie
Peterson; Vice President, Larrion
Hubler; Treasurer, Sally Gearhart.

The scene is Room 10. The Sophomore Class Officers are talking together.

Larrain Hubler—It hardly seems possible that the year is nearly over.

Val Peterson—We've done so many things this term. I'll bet our class has done more around C. H. S. than any other sophomore class.

Joe Evanko—I don't know about our class being the greatest one; I do know we are one of the largest classes ever to attend this school, though. We have more than three hundred and fifty members.

Barbara Holes—Since it's almost the close of school, I'll have to be writing the class history. What shall I put in it?

Sally Gearhart—Well, begin by telling what sophomores did in sports. In football, four of our classmates, Bill E., Don L., Gary T., Bill L., were on the varsity team. Gary won a letter. Our fellows were certainly indispensable to the J. V. football squad.

Larrain—Bill Kruckenburg was a regular on the varsity basketball team and George Wise was the highest scorer of points on the J. V. team of this sport.

Joe—He sure was Larri, and don't forget, Gary Thomas won a letter in wrestling. In the J. V. squad of that sport, Rick Mattern won at the Shamokin Wrestling Championship Tournament.

Sally—Paul Welch, Ken Wise, George Wise, Roger Gorton, Gary Thomas, Sherwood McDowell, Bill Eamigh, Melvin Hugney, Marion Hugney, Leo Ianaro, and Bill Kendall were all members of the C. H. S. track team.

Val—Babs, you could mention that our class, at the beginning of the term, elected as their officers: Joe Evanko, president; Larrain Hubler,

Vice-president; Valerie Peterson, Secretary; Sally Gearhart, Treasurer; and Barbara Holes, Class Historian

Babs—Don't forget music! In this school activity, we were well represented by Carmen Santinoceto, Joe Rohrbaugh, Ned Kuhns, and John Bartley. They went to district chorus. Carmen Santinoceto and Joe Rohrbaugh were also members of this year's district band.

Larrain—Our class was accounted for in High School Showboat by Joe Rohrbaugh, Doris McQuins, Sherwood McDowell, and Betsy Diehl, who entertained the audience with special numbers, and other sophomores were in the chorus, danceband, and dance groups.

Val—Four sophomores were in all-school play. They were Ned Kuhns, Robert Mitchell, DeVerne Bookwalter and Rick Mattern. Besides, the things already mentioned, we have been well represented at school affairs. Scholastically, we have had several of our members finish the term with excellent averages.

Babs—I didn't realize we had been so active! Think of how proud we should be of our class —Class of 1957!

Sally—We surely can be proud! It's been fun being the officer of such a fine class, but I'm going to be glad when I'm a Junior

Everyone—So am I.

Bison Board

The Bison Board, under the leadership of "Pop" Weidner, got into full swing last September, with each member determined to do a sensational job on the annual Bison. Well, you got the darn book, didn't you? Editor-in-Chief, Barbara Miller, tried—really she did. And she had plenty of help from Business Manager, Mary Jo Bigley. The sophomores and some juniors and seniors were a big help. Mary Jo, Mona Gaines, and Carolyn Flood (The last two are Advertising Managers) handled all the money—lucky dogs.

Remember when the monkey in the paid program was scared by Bob Wisor and his camera? Well, he was only carrying out his

huge job of taking all the photos for The Bison.

Janice Happs and Clair Lawhead were our typists. Some unknown gremlin kept stealing the copy, but we finally got it all. And Anne Bohlender and Gloria Ogden flitted here and there helping wherever they could.

With a membership of twenty-six, each person had his job to do. What with solicitation still going on in May and copy constantly being lost, we didn't get the book out on time. But, though it is late, we are very proud of 1955's Bison. We hope you like it!

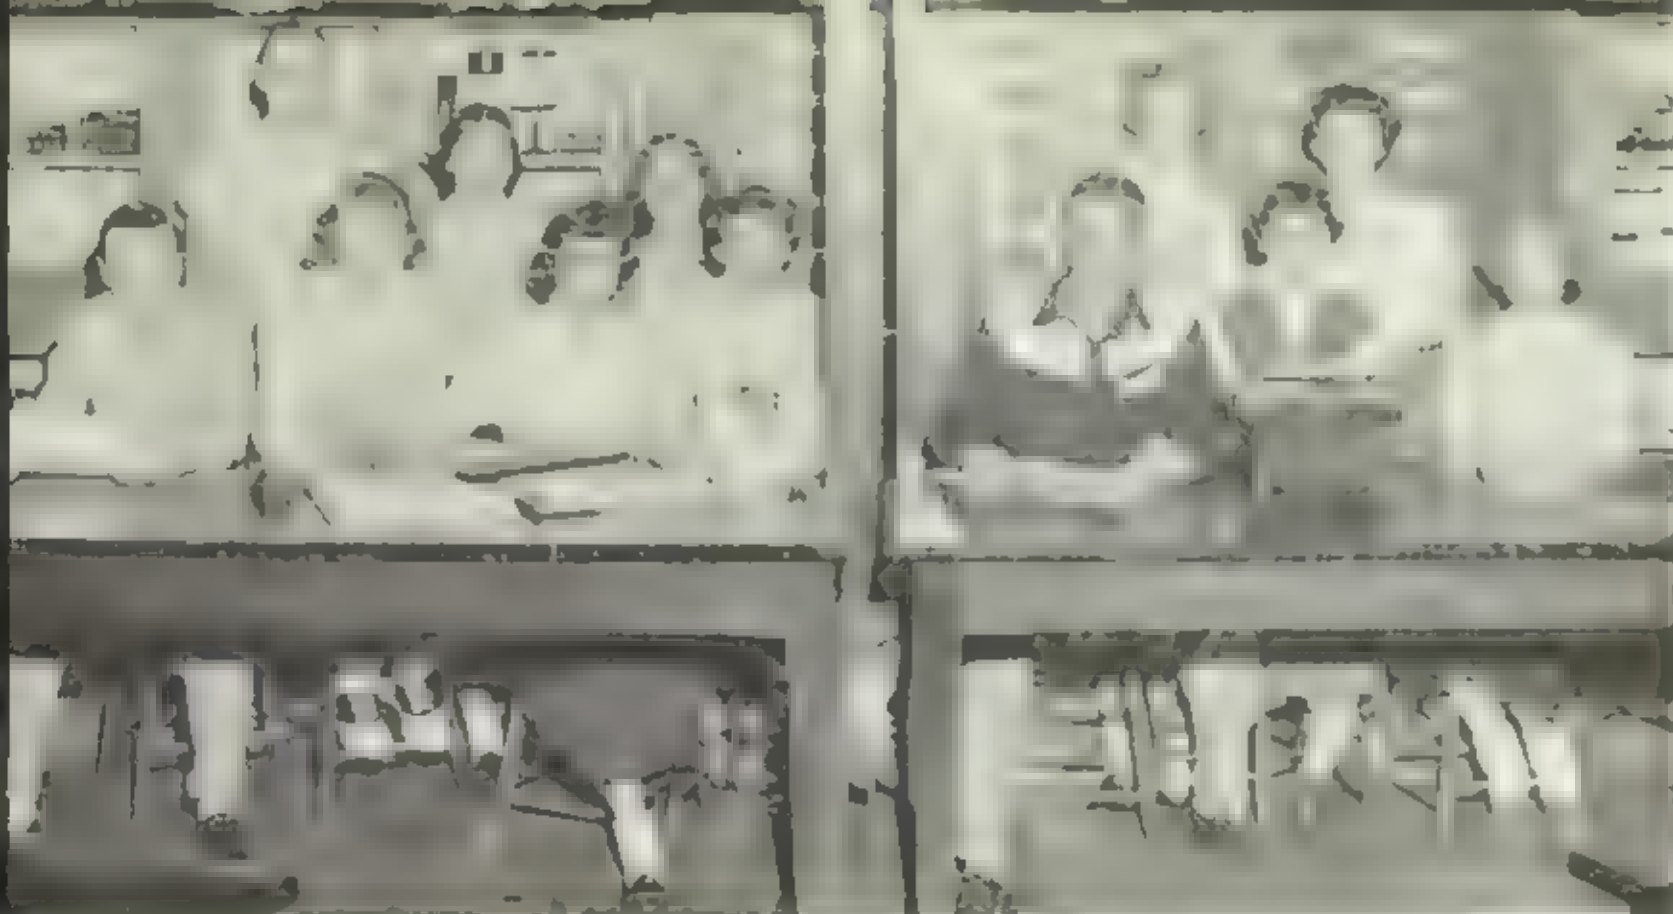

P. S. We also hope you enjoy Art Editor Eugene Mitchell's crazy drawings!

Look at the creature Eugene just drew!!!

Some of the members of the Bison Board. Getting awfully energetic, aren't they?

Triangle

The seventh period journalism class, under the supervision of Miss Jane Gillespie, has completed another successful year. Their publications have been interesting and enjoyable to the students of C. H. S. They are also read enthusiastically by those outside of school who had the opportunity to be in contact with a Triangle issue.

Having no special officers, the members are co-operative and efficient. Everyone has specific duties, which are not neglected. The journalism class consists of students from the sophomore, junior and senior classes. The members

work hard and endlessly to make the Triangle a work of accomplishment.

After the distribution of the Triangle we find students going to their classes reading articles about themselves and others in the Triangle. These articles show originality and some contain humor while others inform you about the activities in C. H. S.

A great deal of effort and time is put forward in making each issue of the Triangle an overwhelming success. We congratulate you, the Triangle staff, for a job well done.

I wonder if Gary Thomas knows if he's getting his picture taken?

Band

September 5th found the Clearfield High School Band stepping out to the grand opening of the 1954 football season. Making their entrance at half times, the band brought about a round of applause as the field lights dimmed, giving way to the soft lights and fine music of this 70 piece group and their majorettes.

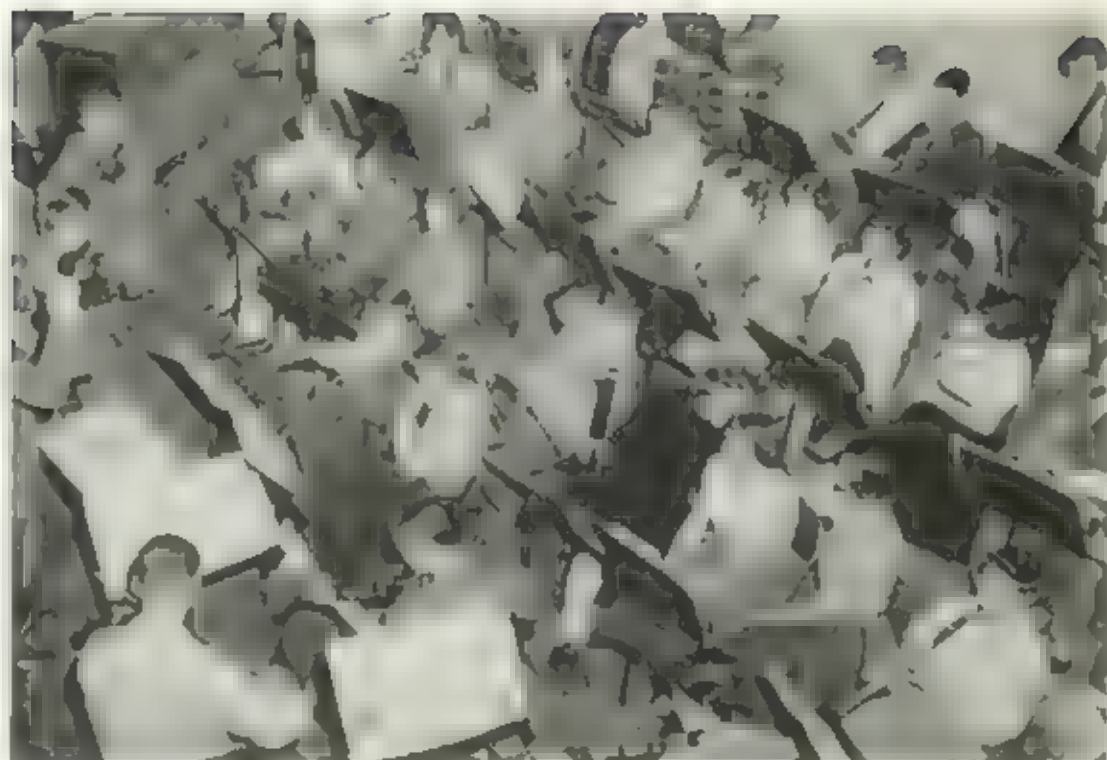

Clearfield's head majorette, Gail Narehood, led the band during Sesqui-week as they put forth their best. The band marched in several parades, displaying their bright new uniforms for the very first time.

The band concert, given February 28th certainly proved that putting time and talent together would give the people a good show. As did also district band, held at Reedsville April 14, 15, and 16, as Dave Yocum, Gordon Mitchell, Eugene Mitchell, Charles Wisor, Frank Sturniolo, Carmen Santinoceto, Joe Rohrbaugh, Gail Narehood, Jackie Croyle, Carol Ogden and Linda Gooseman, representing Clearfield, sparked the band with their magic notes. To Mr. Harold Kuhns we extend congratulations for a job well done.

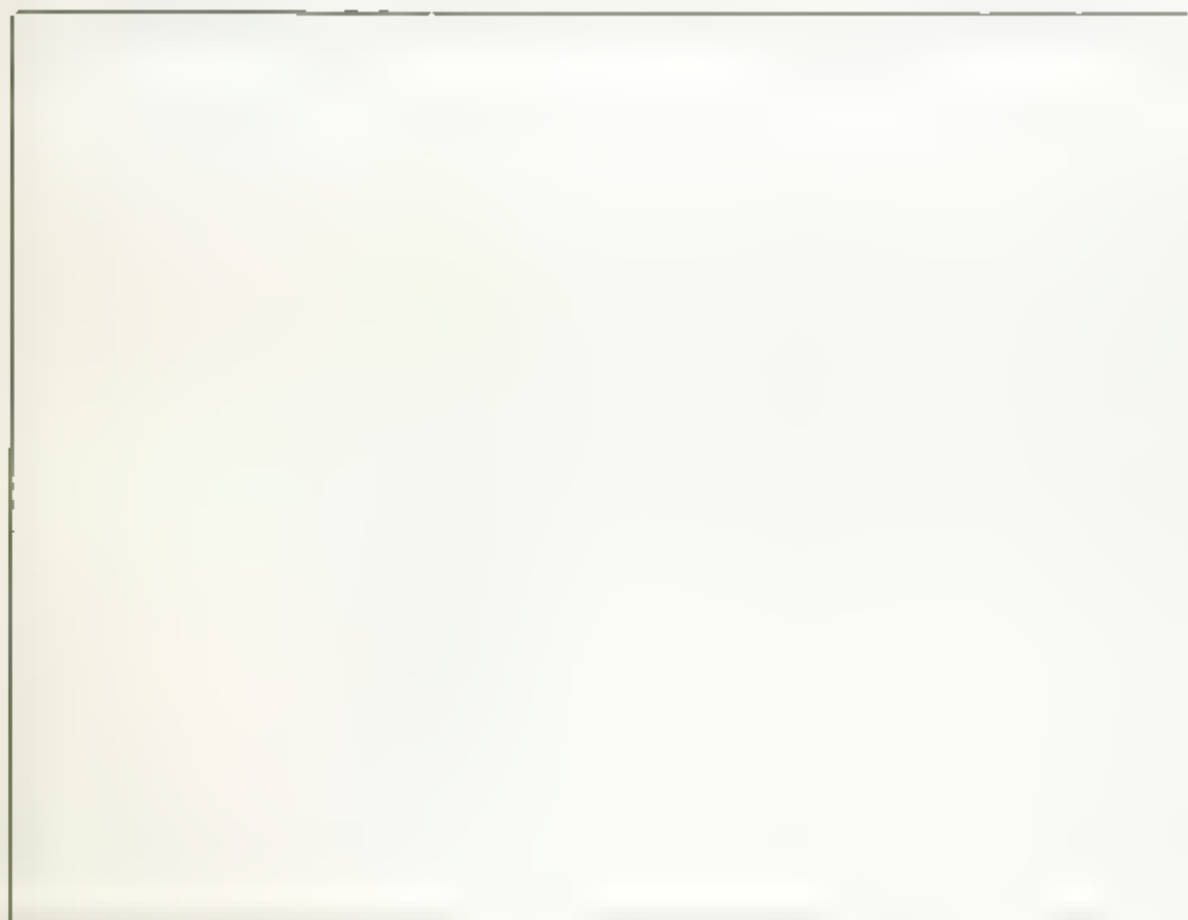

In this picture there are four rabbits, two mice, and three milkshakes from the Miller Dairy. If you can find these, you had better see a psychiatrist.

"This stuff gets me down," says Linda Gooseman to Carol Ogden. Notice that Jerry Duckett just whistles his music. Prof and Steve seem to be the only ones interested

Orchestra

Strings and brass make up the wonderful C. H. S. Orchestra. It is under the direction of Mr. William Stadtmiller. They held an Evening of Music on February 7, in which Marywynn Bishop played "Ave Maria" on the violin. It was very moving and beautiful. We were also honored by solos from Donna Croyle and Jack McGarvey. Our school was represented by six people at district orchestra. They were as follows: Dave Yocum, Marywynn Bishop, Eugene Mitchell, Stephen Wilbur, Jacque Croyle, and George Belford. They also did a radio program and furnished the music for the all-school play.

Mixed Chorus

"Songs were made for singing" is "Prof" Kuhns favorite saying when preparing his chorus members for their numerous performances throughout the year. The high school chorus, composed of 110 hard-working students, has certainly proved that their time and effort has been worth the sacrifice. They have "chalked up" another successful year by bringing forth with "music for listening."

The chorus meets in Room 7, of the junior high, on Monday and Thursday. They make the

halls ring with music. If you can carry a tune or produce a worthwhile note from your voice-box you would certainly enjoy singing.

The chorus entertained by giving concerts to the local service clubs and the Evening of Music, which is presented in the spring. The annual Showboat is also a chorus masterpiece.

Clearfield was well represented by sending thirteen students to District Chorus on February 17, 18, and 19, at Howard, Pennsylvania.

Off to the District Chorus!! Hey, Jack, are you going to stay a week?

One of the more active organizations in C. H. S. is the Dance Band. They not only play for the annual Showboat, but they are an essential part of the numerous after-school dances.

Much credit is due to Mr. Harold Kuhns, the very capable director of the group. Let's hope they will continue their good work for many years to come.

Dance Committee

Remember the Christmas, Thanksgiving, and Shelf Day dances in the gym after school? Well, you can thank the Dance Committee for all the fun you had. All three classes are well represented in this organization, with three members from the senior class, five from the junior class, and three sophomores. The Committee tries to create more interest in dancing and to provide activities for students after school hours. The dances are open to freshmen, students of C. H. S. and alumni. The Dance Committee has done a fine job, and we all appreciate it.

Projection Club

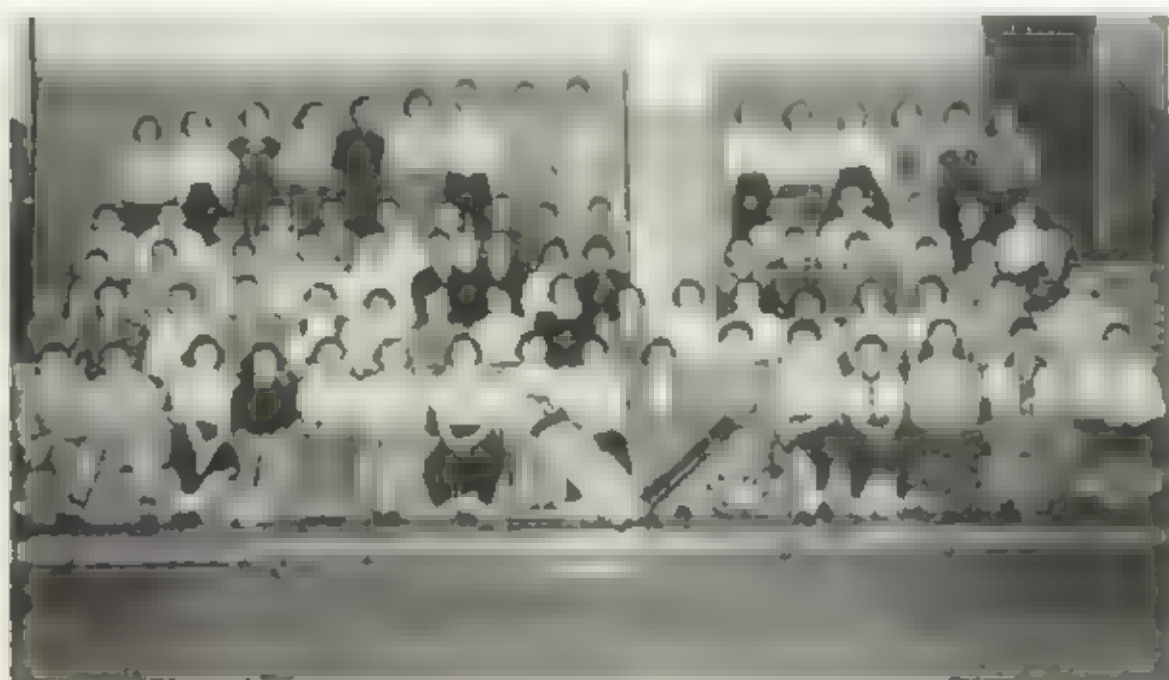

The Projection Club, with Mr. Willaim Butler as advisor, has again handled our showing of movies in a way that everyone is thankful for them. When a movie came in the boys set up the projector and screen in the proper place. When the teacher was through with the movie the boys took down the equipment and moved it on to the next scheduled place. They also helped with the showboat in setting up the sound equipment.

The officers of the club were: President, Philip Biancuzzo; Vice President, Jack Neff; Secretary, Carl Bloom; Treasurer, Bill Smith.

Golf Club

Among the many clubs in C. H. S. the golf club is one of the youngest and is fast becoming one of the most popular. Under the guidance of Mr. John Filsinger the club is in its second year and has a total of ninety-six members. They are divided into six groups that meet twice a month.

There is a beginner's group and an advanced group. The beginners are taught the basic fundamentals of golf. Members are also taught the correct grip, stance, the long and short swings, and how to select their clubs. They practice chipping, putting, and discuss the rules of the game. In May the club plans to hold boy and girl championships.

Commercial Club

A club for junior and senior commercial students only, is the Commercial Club. Under the jurisdiction of Miss Belle Hayes Wiley, the club had a full program this year. To start the year, the members split into four groups and visited the Bell Telephone Company, The First National Bank, The Trust Company and the Court House. Other activities were a debate on the subject "Homework or No Homework" and a series of film strips showing the secretary on the job. Four graduates, who have jobs in town, and Mr. Kirk Hile from Hile and Thompson Wholesale House spoke to the club. A style show illustrating what the secretary should and should not wear was included in the activities. Officers of the club were: President, Mona Gaines; Vice-President, Mitzie Robbins; and Secretary, Gloria Ogden.

Rifle Club

Along with the many other clubs of C. H. S., Rifle Club got off in full swing with its members determined to beat last year's record. There are a great many students in C. H. S. in Rifle Club making it one of our largest organizations. The members are in separate groups which shoot on the different days of the week under the supervision of Mr. Paul Smith. As in other years, the main objective of Rifle Club is to teach its members the correct usage and the proper handling of a gun. The Bisons plan to shoot in the P. I. A. A. Regionals and hope to go to the State finals. The officers of Rifle Club this year were: President, Rodney Lewis; Vice President, Norman Levin; Secretary, Margaret Condran, and Executive Officer, Duane Tobias.

This student organization acts as the governing body of C. H. S., providing many activities and privileges for the other students. Key Club

An organization that makes a contribution in service both to our school and community is the Key Club. This prominent club of C. H. S. is in evidence every day with the raising of the flag and the reading of the devotions. Selling tickets for the athletic events and running career conferences and college nights are some of the other activities engaged in by the club. This junior service organization of the Kiwanis Club, under the watchful eye of Mr. Charles Vogelsang, offers helpful citizenship training. Junior - Senior Sub-Deb Club

With Mrs. Alveta Snyder as their adviser the Junior-Senior Sub-Deb Club had a very successful year. At Christmas several members of the club put on a play for the girls of our school. It was enjoyed by all who attended. The club had several guest speakers who discussed the various careers and good grooming habits that a girl in high school would be interested in.

Continuing a policy that was started last year, the club planned and had two foreign exchange students visit our school. This year's exchange students were a girl, Teresa Delauretis, from Italy, and a boy, Felix Rama, from Spain.

The officers of the club were: President, Patty Jay; Vice president, Carolyn Flood; Secretary, Mitzie Robbins; Treasurer, Jean Weaver.

Sophomore Sub-Deb Club

The members of the Sophomore Sub Deb Club with the help of their adviser, Mrs. Alveta Snyder, learned the right and wrong ways of social grace. The officers of the club were: President, Valerie Peterson, Vice-president, Chloe Harley, Secretary, Carol Thompson, Treasurer, Betsy Diehl.

Boys and girls from the Club did work as substitutes for our teachers and also went to different classrooms observing the work done by experienced teachers.

The girls of the club under the supervision of Mrs. Landers, the school nurse, studied and did research on various types of nursing. The girls attended the annual tea that was given at the Clearfield Nurses' Home. It is a very helpful club to those planning to "go in training."

The members of the Varsity Club are the "Heroes" of CHS, each having won at least one letter in any sport recognized by the Pennsylvania Athletic Association. Only the boys who have participated in a sport for three years are eligible to receive one of those brilliant red sweaters you see being worn.

ACTIVITIES

No, nobody seems to be very sad about the prospect of Bob's leaving. Oh we got it this is only play-acting. They really adore you Bob

Patty must have just proposed to Bob. Well, let's get with it, son. This play doesn't last all year!

Linda seems to be pointing out something very interesting to Carol, Betsy, Vic, and Ned. Maybe they are enjoying some of the amusing advertising road signs we heard about in the "Happy Journey."

Part of the cast of "Fog in the Valley" relax for a few moments, but, of course, Bill and De Verne go right on entertaining Barbara and Donna

Make them up pretty, gals. They have a long night ahead of them! (And, we might add, they all did a great job)

Linda and Ned are inquiring of Shike as to direction, it seems. I wonder if they want directions to the nearest "comfort station."

Shades of the old family tintype! Such varied reactions, too! Linda is interested in the balcony, and Carol likes the front of the auditorium. Betsy and Ned are enjoying themselves immensely, while Vic has the situation quite well in hand

Who's helping whom with who's lines? They must be discussing "The Happy Journey"; Donna's enjoying it

The Trip

After we got Miss Knepp and Miss Lord settled down and took their water pistols from them, we had a peaceful trip

C. H. S. students line up to take a tour of Mount Vernon

Here lies a man known but to God

On October 22, at 6:30 in the morning, ninety seniors started their safari to our Capital City. Before arriving at the Cairo Hotel, we stopped at the zoo and the Washington Cathedral. Our tour really began with supper at the night club followed by a movie at the Capitol. Let us read some of the comments about this first day. Betsy Reilly wistfully remembers the big cuddly bear at the zoo . . . Barbara Miller fell in love with the friendly but oh-so-tall giraffe

Shirley Swales and Ginny Miller remember the shopping bag full of food that they took Donna Croyle recalls those long climbs to the sixth floor hotel rooms when the "cottonpicking" elevator wouldn't work . . . Barbara Larson thought the most inspiring sight she saw was the Washington Cathedral . . . Bill Mapes still talks

To Washington

We see Barb Miller, Patty Peoples, and Mary Jo Sigley, do you?

Manon, Joyce, Mona, and Jean hitchin' a ride to Washington

about that all-night card game which was interrupted every ten minutes by water being thrown in the window. The following day, our caravan traveled to Mount Vernon, Arlington Cemetery, Lincoln and Jefferson Memorials, F. B. I. building, and the Bureau of Engraving. Pat Zimmerman got her biggest thrill from the stacks of money piled in the Bureau of Engraving . . .

The next day, we paid homage to the Government Buildings and before starting home, we visited the Smithsonian Institute. It was really great. But, we missed those we had left behind and were glad to get home.

Football

The Bison grid machine under Coach Marty Koons opened its successful season by shutting out Osceola 38-0. Duck and Krolick scored two touchdowns apiece; Triponey and Jones each one. Again the herd had a shutout, 19-0, over Jersey Shore. Jones, Krolick, and Duck had one marker each. After bowing to DuBois and State College, the Red and Black smashed Philipsburg 25-0. Jones led the attack with three touchdowns. Mitchell scored the final touchdown from 33 yards out. Victorious again, the Bisons swamped the Punxsy Chucks 13-6. Win number 5 came after humbling Tyrone 26-6. A series of bad breaks resulted in our 25-7 loss to Bellefonte. The herd came back strong to smash an

experienced Northern Cambria team 21-17. A strong Red and Black line bottled up the Barnesboro machine early in the game. While Jones dashed 80 yards to pay dirt and booted the extra point the Red and Black led 7-0. From the 32 yard line, our sharp quarterback Dick Miller, threw a jump pass to Duck on the 40. Duck charged 27 and went all the way. An extra point pass put the Bisons ahead 14-0. Jones clinched it by running and booting the last 7 making the final score 21-14.

The boys had a fine record of 6 wins against 4 losses. Victor Jones was chosen on the first All Central County Team, while tackle Fred Plummer and end Eugene Duck received Honorable Mention.

Pounded Ball

Coach Miles Smith's cagers played perhaps one of the finest seasons in C. H. S. history this year. The courtmen, displaying vigor and fire that lasted throughout the season, opened the season by rambling over a veteran Saint Marys' team 73-29. The peppy Bisons ramped over Philipsburg - Osceola 63-40 for their second victory. Continuing their winning ways, the Red and Black smashed Bellefonte 93-40. The Bisons had their first scare of the season at Saint Marys when we won narrowly by nine points—54-45. However, the Bison machine came back strongly beating Tyrone 66-43. The invincible Red and Black men forged ahead, beating Curwensville 84-28. Clearfields' cage team narrowly pulled the game out of the fire at Punxsy by freezing the ball in the last 15 seconds of the play. When the buzzer finally sounded, the scoreboard reached 67-66. The Smithmen then trampled over Philipsburg - Osceola, and a strong veteran DuBois team. Our tenth straight victory was re-

corded as the proteges of Miles Smith pounded Brookville 66-42. Our eleventh game was marred by the Bisons first loss at Bradford. After beating Tyrone for win number eleven, a powerful Kane team and a series of bad breaks led to a 68-42 loss. Bellefonte lost their second game to us 64-49. Our most tragic game of the season was Kane's heartbreaking 46-45 win over C. H. S. However, the herd next scored a revenge win over Bradford at our court 78-66. Ellis "Ace" Harley led the Bisons with 31 markers, Bill Chase followed with 13 and Jay was third man with 11. The Red and Black finished off the season nicely by easily downing Punxsy and crushing Curwensville.

An excellent record of 17 wins and 3 losses was racked up by the mighty herd. Vic Jones, and Ellis Harley made All District first team, Lenny Moore made All District second team and Burt Wilson, Bill Chase and Tom Jay received Honorable Mention. Harley and Jones received honorable mention on Pennsylvania's all state team.

Wrestling

The Bisons' mat forces, under the direction of Coach Art Weiss, showed some fine wrestling this year and came up with another successful season—7 wins and 4 losses

The Bisons opened the season against Captain Jack with a decisive 50-0 victory. The team registered 8 falls. The next meet, the grapplers avenged a last year's defeat with a 30-6 victory over Warren. Redbank Valley afforded Clearfield an easy 40-6 victory in their third match. The following week, the Bisons lost their first match by a 14-24 score to Philipsburg. One of the high-spots of this meet was the match between Ralph Clark and Tom McCamley, a boy who defeated Ralph last year. The team came back strong the next week by beating Johnstown 26-16. This meet was full of action with Tom Krolick's close win over Bevo, one of the top bouts

At the sixth meet, Clearfield lost a heart breaker to Lock Haven by the score of 22-20. This meet could have gone either way. The next night, Clearfield again lost by the identical score

to Shamokin. Clearfield really suffered several misfortunes in this meet. Andy Shugarts received a dislocated arm while wrestling at 95 pounds, and State Champion Ralph Clark suffered his only defeat of the season to Ron Lentz. The Bisons got back on the winning trail the following week; they defeated State College 29-13. Perhaps the best match of the season was the 42-8 defeat over DuBois the next week. Clearfield lost their fourth meet at Bellefonte by a score of 21-14. At Tyrone, the following week, the Bisons closed their wrestling season with a 20-14 victory. In the District IX tournament, we won the Districts with eight individual championships. Stan Fletcher, Dan Johnson, Ralph Clark, Hal Parks, Russ Triponey, Neil Turner, Tom Krolick and Llewellyn Smith. These boys completed the regional tournament the following week; Ralph Clark and Russ Triponey came through as champions. These two junior mainstays of the wrestling team entered the State Tournament. Ralph Clark emerged State Champion while Russ Triponey lost a close decision in the finals

John Filsinger's golf team, composed of B. Teats, J. Gearhart, R. Hudson, and R. Triponey opened its season with a decisive 12-3 win over Brookville. The powerful Bison Four tied the second match 7½-7½. The Red and Black men then smashed New Bethel 4-1, and State College 11-4. At Phippsburg, because of a few tough breaks the Bison Linkmen bowed 11-4. Although the proteges of Mr. Filsinger dropped the next two, they qualified and won the District 9 Championship, Russ Triponey won the Individual District 9 Championship, then, he and Jack Gearhart both qualified to play in the State Championship.

Track

The track team with Dan Snyder as their coach showed great promise as an inexperienced team. The Bisons won three meets including the Big Three Meet while losing three. The team will only lose one letterman through graduation, Ed Moore, who placed first in the High Jump in the Districts with a jump of five feet, eight and one fourth inches. Thirteen lettermen will be back for the coming season.

Baseball

Each year in late March you begin to see the baseball team under the direction of Coach Paul Smith practicing after school. Last year, with a rookie ball club, Coach Smith had a season's record of 4 wins, 9 losses, and a tie.

The herd opened the season losing to Bellefonte 4-18. They then won over State College 8-3. After losing 0-6 to Altoona, the team came back to defeat Curwensville 11-4. The next two games were both defeats to the Bisons. One to Philipsburg 8-11 and another to State College 1-4. The game with Altoona, the following week, was perhaps the best played by the team. They tied Altoona 5-5 and were rained out after 8 innings. After playing such a good game

against Altoona, the Bisons lost the next four, all narrow margined. Philipsburg 7-8, DuBois 7-9, Bellefonte 3-5, and DuBois 2-4. The herd got back on the winning trail with a victorious win over Curwensville 6-4 and New Bethlehem 7-1. The team closed the season losing to New Bethlehem 0-1.

Coach Smith has 8 returning lettermen and several more with experience: Tom Jay, Duane Tobias, E. Harley, T. Krolick, D. Bilotte, J. Sturniolo, G. Richards, and R. Caldwell are the lettermen.

We are looking forward to and hoping for a successful season this year.

Our Seniors

This—is the town, Clearfield, Pennsylvania. I work here. I'm a cop. It was Friday May 27 1985. My partner, Frank, and I were working the confusion watch out of riot division. My name's Friday (what else). It was reported that there was a class reunion of the C. H. S. Class of 1955 and that there would be quite a few shady characters there. My job—meet them.

When we arrived at the Clearfield Armory, the first "character" we met was President Leonard Moore. Yes, he's the Lenny Moore that's President of the National Society of Skunk Watchers. He informed us that he got his start as President of the Senior Class. He was followed closely by his chlorophyll carrier Eugene Duck.

We also managed to meet a few of the show people present. First was Leonard Schickling, Mr. Golden Voice himself, announcer for the top T.V. show, Gloria's Great, which of course is produced by Elus Harley and stars Gloria Ogden. Then, we met Dave Yccum, who just informed us that he was signed by Jackie Gleason's orchestra and famed orchestra leader Eugene Mitchell and drummer, John Brion, and violinist Steve Heifitz Wilbur.

You don't have to be in show business to be famous, either. Present were Champion Cotton Picker of the World Cera Owens, and Champion Lady Wrestler, Shirley Harrier, and former Mrs. America, Carroll Luzier Dixon.

We also got a glimpse of Shirley Swales, back from a week-end at camp with her girlfriends, with Tom Krock, her estranged husband looking on wisely. Tom, as you know, is on the baseball team, the New York Giants, and he leads the world in homeruns.

Then we saw Betsy Reilly, world-famous cartoon artist, and Mary Jo Bigley, the fastest milkshake mixer in the universe, followed closely by Bill Mapes, the inventor of the two-seated saddle, and Llewelyn Smith, who crochets and sells those beautiful doilies everyone is raving about.

Ann Beauseigneur, world-famous criminal lawyer, was present. Frank and I noticed that she was being followed very closely by Betty Mae Kilian. Upon

1985

questioning Betty, we found that she was her bodyguard. Ann needed special protection, since she was prosecuting Paul (AWOL) Bumgarner at the time.

Duane Tobias, reknowned veterinarian, was expounding on his theory for the treatment of jazz "cats" to Dr. Dave Johnson, who is more interested in "tomatoes."

Donna Brown, who recently swam the English Channel, was telling Patty Peoples all about it. Patty seemed rather envious, maybe because she can't qualify because she is still trying to graduate from Lock Haven State Teachers College. Another fine gymnast, Clifford Heckman, was telling Marshal Jacobson, the shorthand speed artist, all about his gum chewing record.

Bill Chase was talking to Frank and me. He told us that he recently cut a new record, John Dillinger, somewhat on the order of that hit that was the rage about thirty years ago. You remember, it was about Davey Jones, or someone like that. Julie Rita Spencer, the movie queen, was telling everyone who would listen about her newest pic Hamlet. She plays Lady Macbeth. Well, she's pretty unpredictable, but that's going a little too far. Jack McGarvey, another star, was telling us all about his role in "The Desert Song". He's a horse.

Larry Condon, the renowned public speaker, passed us talking to his wife. He told us that she was number five. He said he was trying to please everyone.

Barbara Miller couldn't be with us. She was still working on some book. I think she called it "The Buffalo" or "The Cow" or something like that. She keeps muttering, "It's just got to be out next month." Oh well, you figure it out.

In a moment, the results of this reunion. But first, have you tried Duane Peters Cigarettes? They are the fine tobaccoless, filterless, paperless, smokeless, smoooooooooth ones that leave no aftertaste and are no effort to smoke. Try them, especially if you don't like to smoke. As a result of this case, Frank and I went home to rest for another thirty years, until this crazy class has another reunion.

This has been a VV Production.
